BOOK SYNOPSIS

This book will give you the information you need on the most common symptoms and their diagnosis while increasing your confidence during residency. As medicine can be detailed and sometimes complicated, it is challenging to apply years of medical education in just a few minutes. This guide is designed to make an Internal Medicine Resident successful, but will be an effective supplement for any of the following disciplines:-Family Medicine Residents-Third & Fourth Year Medical Students-Nurse Practitioners-Physician Assistants-Any Clinical Residency Internship Table of Contents Preface Foreword
