BOOK SYNOPSIS

The complete collection of short fiction from a literary stylist who captured the nuances of life in the American South of the early twentieth century, *The Collected Stories of Caroline Gordon* is firmly rooted in the traditions, the social habits, and the land itself. As Robert Penn Warren writes in his introduction, "Caroline Gordons world lies in southeast Kentucky . . . [She displays] a disciplined style as unpretentious and clear as running water, but shot through with glints of wit, humor, pity, and poetry. [She had] the rare gift of the teller of the tale."

THE COLLECTED STORIES FSG CLASSICS - Are you looking for Ebook *The Collected Stories FSG Classics* ?
