## **BOOK SYNOPSIS**

We the Students is a highly acclaimed resource that has introduced thousands of students to the field of legal studies by covering Supreme Court issues that directly affect them. It examines topics such as students' access to judicial process; religion in schools; school discipline and punishment; and safety, discrimination and privacy at school. Through meaningful and engagingly written commentary, excerpts of Supreme Court cases (with students as the litigants), and exercises and class projects, author Jamie B. Raskin provides students with the tools they need to gain a deeper appreciation of democratic freedoms and challenges, and underscores their responsibility in preserving constitutional principles. Completely revised and updated, the new, Fourth Edition of We the Students incorporates new Supreme Court cases, new examples, and new exercises to bring constitutional issues to life.
